Orthoptera: Gryllidae. As a result, a replacement name for this genus of leaping frogs becomes necessary. Here we propose *Sallywalkerana* gen. nov. as the replacement name for *Walkerana* Dahanukar, Modak, Krutha, Nameer, Padhye & Molur, 2016.

### OPEN ACCESS

#### *Sallywalkerana* gen. nov.

urn:lsid:zoobank.org:act:E6BC88B0-DA5C-43CE-BC6B-A796B0524A89

Type species: *Ixalus diplostictus* Günther, 1876: 574, Pl. 63 fig. C.

Diagnosis for the genus is same as for *Walkerana* Dahanukar, Modak, Krutha, Nameer, Padhye & Molur, 2016 (pp. 9234). The replacement generic name is a combination of Sally Walker's name and the Latin name for frogs, *Rana*, and is used as a noun.

Included species: *Sallywalkerana diplosticta* (Günther, 1876) comb. nov., *S. leptodactyla* (Boulenger, 1882) comb. nov., *S. phrynoderma* (Boulenger, 1882) comb. nov.

Dahanukar et al. (2016: pp. 9234) made available the genus name *Walkerana* (ZooBank id: urn:lsid:zoobank.org:act:1A088397-8F05-4339-8696-A50093E88CD5; type species: *Ixalus diplostictus* Günther, 1876: 574, Pl. 63 fig. C) within the family Ranixalidae for the monophyletic group with reduced webbing endemic to the Western Ghats of India south of the Palghat gap. We were unaware that this name was preoccupied by *Walkerana* Otte & Perez-Gelabert in Otte (2009), under Insecta:

## Review

Distribution records and extended range of the Sri Lanka Frogmouth *Batrachostomus moniliger* (Aves: Caprimulgiformes: Podargidae) in the Western Ghats: a review from 1862 to 2015

-- Anil Mahabal, Sanjay Thakur & Rajgopal Patil, Pp. 9289–9305

## Short Communications

Small carnivores of Parambikulam Tiger Reserve, southern Western Ghats, India

-- R. Sreehari & P.O. Nameer, Pp. 9306–9315

First record of the Diadem Leaf-Nosed Bat *Hipposideros diadema* (E. Geoffroy, 1813) (Chiroptera: Hipposideridae) from the Andaman Islands, India with the possible occurrence of a hitherto unreported subspecies

-- Bhargavi Srinivasulu, Aditya Srinivasulu, Chelmala Srinivasulu, Tauseef Hamid Dar, Asad Gopi & Gareth Jones, Pp. 9316–9321

New distribution records of *Mesoclemmys vanderhaegei* (Testudines: Chelidae) from southeastern Brazil, including observations on reproduction

-- Fábio Maffei, Bruno Tayar Marinho do Nascimento, Guilherme Marson Moya & Reginaldo José Donatelli, Pp. 9322–9326

Spiders (Arachnida: Araneae) of Gujarat University Campus, Ahmedabad, India with additional description of *Eilica tikaderi* (Platnick, 1976)

-- Dhruv A. Prajapati, Krunal R. Patel, Sandeep B. Munjpara, Shiva S. Chettiar & Devendrasinh D. Jhala, Pp. 9327–9333

New records of Termite species from Kerala (Isoptera: Termitidae)

-- Poovoli Amina, K. Rajmohana, K.V. Bhavana & P.P. Rabbeeha, Pp. 9334–9338

Odonata (Insecta) diversity of southern Gujarat, India

-- Darshana M. Rathod, B.M. Parasharya & S.S. Talmale, Pp. 9339–9349

An update on the distribution pattern and endemicity of three lesser-known tree species in the Western Ghats, India

-- K. Sankara Rao, N.V. Page, A.N. Sringeswara, R. Arun Singh & Imran Baig, Pp. 9350–9355

Heavy metal distribution in mangrove sediment cores from selected sites along western coast of India

-- P. Vidya & Rajashekhar K. Patil, Pp. 9356–9364

## Notes

New distribution record of the Bhutan Takin *Budorcas taxicolor whitei* Hodgson, 1850 (Cetartiodactyla: Bovidae) in Bhutan -- Tashi Dhendup, Tshering Tempa, Tsethup Tshering & Nawang Norbu, Pp. 9365–9366

Recent records and distribution of the Indian Brown Mongoose *Herpestes fuscus* Gray, 1837 (Mammalia: Carnivora: Herpestidae) from the southern Western Ghats, India

-- R. Sreehari, Sandeep Das, M. Gnanakumar, K.P. Rajkumar, K.A. Sreejith, Navaneeth Kishor, Dhaneesh Bhaskar, P.S. Easa & P.O. Nameer, Pp. 9367–9370

First record of Dobson's Long-tongued Fruit Bat *Eonycteris spelaea* (Dobson, 1871) (Mammalia: Chiroptera: Pteropodidae) from Kerala, India

-- P.O. Nameer, R. Ashmi, Sachin K. Aravind & R. Sreehari, Pp. 9371–9374

Road kills of the endemic snake Perrotet's Shieldtail *Plectrurus perroteti*, Dumeril, 1851 (Reptilia: Squamata: Uropeltidae) in Nilgiris, Tamil Nadu, India

-- P. Santhoshkumar, P. Kannan, B. Ramakrishnan, A. Veeramani, A. Samson, S. Karthick, J. Leonaprinay, B. Nisha, N. Dineshkumar, A. Abinesh, U. Vigneshkumar & P. Girikaran, Pp. 9375–9376

Reappearance of the rare Shingle Urchin *Colobocentrotus (Podophora) atratus* (Camarodontia: Echinometridae) after eight decades from the rocky shore of Kodiyaghat (Port Blair), South Andaman Islands, India

-- Vikas Pandey & T. Ganesh, Pp. 9377–9380

*Sallywalkerana*, a replacement name for *Walkerana* Dahanukar et al. 2016 (Anura: Ranixalidae)

-- Neelish Dahanukar, Nikhil Modak, Keerthi Krutha, P.O. Nameer, Anand D. Padhye & Sanjay Molur, P. 9381

A sighting of *Plastinia naga* (de Nicéville, [1884]) (Lepidoptera: Hesperiidae: Hesperiinae) from central Assam, India

-- Gaurab Nandi Das, Arajush Payra & Bitupan Boruah, Pp. 9382–9383

A note on the taxonomy, field status and threats to three endemic species of *Syzygium* (Myrtaceae) from the southern Western Ghats, India

-- R. Ramasubbu, C. Divya & S. Anjana, Pp. 9384–9390

*Arnebia nandadeviensis* Sekar & Rawal (Boraginaceae) a new synonym of *Onosma bracteata* Wall.

-- Umeshkumar L. Tiwari, Pp. 9391–9393

*Exosporium monanthotaxis* Piroz. (Fungi: Ascomycota: Pezizomycotina) from Biligirirangan Hills, southern India

-- Rashmi Dubey & Shreya Sengupta, Pp. 9394–9396
